AOCB

The AGM will be held at the next meeting. Members were asked to consider whether they were in a position to put themselves forward, particularly for the Events Committee where new thoughts were always welcome. It was important that the committee was a fair representation of the membership and there are currently no lady members of the committee.

INTRODUCTION OF THE SPEAKER

John proceeded to introduce the speaker for the day, Keith Jackson. Keith is a member of Bathgate Probus. His talk was about the Early Years of Winston Churchill, a timespan that ran from the creation of the first Duke of Marlborough in the early 18th Century to Dunkirk in 1940. Without taking any sides about a controversial character, Keith managed to identify many of the attributes and experiences that led to his finest hour.

VOTE OF THANKS

A vote of thanks was given by David Elliott and supported by the members in the usual manner.

NEXT MEETING

The next meeting will be held on 22nd March and will include the Annual General Meeting. Once the formal part is over, members will take part in another of the popular quizzes.
